Subject: Letter of Interest – NCURA Region III Non-Voting Board Member

Dear NCURA Region III Leadership,

I am writing to express my interest in serving as a non-voting board member for NCURA Region III. I value the opportunity to support Region's III mission of advancing research administration and fostering professional development, collaboration, and knowledge-sharing among research administrators.

Through my experience in research administration, I have developed an appreciation for the importance of strong professional networks, effective communication, and sharing best practices to support the research community. I would welcome the opportunity to contribute my perspective, support the Region's initiatives, and assist with efforts that strengthen engagement and professional growth among its members.

I am enthusiastic about becoming more involved with NCURA Region III and contributing my time and experience to support the board's work. I believe serving as a non-voting board member would be a meaningful way to give back to the research administration community while continuing to learn from and collaborate with colleagues across the region.

Thank you for considering my interest. I would welcome the opportunity to serve and contribute to the continued success of NCURA Region III.

Sincerely,

Traydell M. Beard

Traydell M. Beard
Senior Department Administrator III
